### **§25.001 Inter-district Transfers**

Under Texas Education Code 25.001, a district may choose to accept, as transfers, students who are not entitled to enroll in the district. Under TEC 25.036, a transfer is interpreted to be for a period of one school year.

### **Benefits of Exemption**

Lone Oak ISD maintains a transfer policy under FDA (Local) requiring non-resident students wishing to transfer to file a transfer application each school year. In approving transfer requests, the availability of space and instructional staff, availability of programs and services, the student's disciplinary history records, work habits, and attendance records are also evaluated. Transfer students are expected to follow the attendance requirements, rules and regulations of the District.

TEC 25.036 has been interpreted to establish the acceptance of a transfer as a one-year commitment by the District. The District is seeking to eliminate the provision of a one-year commitment in accepting transfer applicants. On rare occasions, student behavior warrants suspension (in or out of school), placement in a disciplinary alternative program, or expulsion. In addition, student attendance may fall below the TEA truancy standard. In these rare cases, Lone Oak ISD seeks exemption from the one-year transfer commitment.

### **Local Guidelines**

Non-resident students who have been accepted as inter-district transfer may have such transfer status revoked by the Superintendent at any time during the year if the student is assigned discipline consequences of suspension (in or out of school), placement in a disciplinary alternative program, or expulsion. In addition, students not meeting the State's 90% attendance standard may also be subject to immediate revocation of the transfer status.
