Important Information Regarding Claim Payment

Instant Access Account

Making financial decisions at an emotional time can be difficult. One method of payment that may be available to help you is through the Instant Access Account ("Account"). The Instant Access Account is designed to provide you with immediate access to the funds, while allowing you all the time you need to consider how you wish to use your insurance benefit. Other available settlement options are preserved until the entire balance is withdrawn or the balance drops below the minimum payment requirement.

If total payments are \$50,000 or more you may choose to receive payment through the Instant Access Account option. The Account is an interest earning account in your name. The proceeds are payable to you as the beneficiary of a life insurance policy. This is a draft account whereby you may draw down insurance proceeds and interest by drafting checks which are payable through State Street Bank and Trust Company. This is a convenient, easy option that gives you great flexibility. By writing a check using the provided checkbook, you may access funds immediately, or, in the future after you have had the opportunity to consider all of your financial options.

Some of the Instant Access Account features include:

Immediate Access: The Instant Access Account gives you immediate access to your money starting on the day you receive your checkbook. You may withdraw all or part of your money at any time. You cannot make deposits into the Account.

Time to Decide: The Instant Access Account allows you to defer making long term investment decisions and provides time to consider your options.

Convenient: To access funds, simply write a check for at least \$250 to yourself or to any third party. There are no monthly service charges, per-check charges or check fees. Fees will be charged for special services.

Interest Rates: The Instant Access Account earns a periodic interest rate determined by the company which is set after monitoring current short term rates and other prevailing rates available in the marketplace. The interest rate is subject to periodic review and may be adjusted by the company. Interest is compounded daily and credited to your account monthly. There is not a minimum interest rate credited to the account. Interest may be taxable; please consult with your tax advisor regarding taxable interest amounts. To obtain the current interest rate the program is offering please call 1-800-331-4631.

Toll Free Service: Questions regarding your account will be answered via a toll free telephone number provided to you with your Instant Access Account checkbook.

Record Keeping: Proceeds paid through the Instant Access Account allow for easy record management through the receipt of monthly statements. The monthly statements will provide your current balance, account activity, interest earned and interest rate paid. Account holders with no activity will receive a quarterly statement. No activity for an extended period of time, as specified by your individual state law, could result in funds being transferred to the appropriate state under their unclaimed property laws.

If you choose the Instant Access Account a Welcome Kit will be sent to you that includes:

- A book of personalized checks that give the beneficiary the ability to write a check as soon as they are received.
- A Certificate of Account Confirmation and Terms and Conditions.
- A pamphlet detailing your account options and features.
